ATTN: FOIA REQUEST

Sept. 16, 2010

Dear FOIA Coordinator:

This letter is a request for documents, submitted under the provisions of the FOIA and the 1996 electronic FOIA amendments (e-FOIA).

I respectfully request a copy of the EPA report entitled "Sandia Mixed Waste Landfill Groundwater Monitoring Well System and Program Oversight."

I ask that the report be made available in digital form, via email, if possible. (Alternatively, I ask that it be faxed to me at 866-662-6958).

This request is made as part of newsgathering for a planned October report on groundwater monitoring at the Sandia Mixed Waste Landfill, and disclosure will significantly benefit public understanding of government actions and practices regarding the monitoring of hazardous material migration in groundwater — a matter of significant public interest and concern in Albuquerque and across the nation. I therefore ask to be categorized as a news media requester.

I am willing to pay up to \$25 in processing fees for this request, but do not anticipate extensive search or copying time will be necessary as I am requesting only a single, specific report.

Thank you very much for your time and attention to this matter.

Sincerely,
Bryant Furlow
